

21 July 2020

Dear Shareholder,

INVITATION TO PARTICIPATE IN SHARE PURCHASE PLAN

On 15 July 2020, Caravel Minerals Limited (**Caravel** or **Company**) announced an offer to eligible shareholders to participate in a Share Purchase Plan (**Plan**).

The Plan offers to eligible shareholders the opportunity to purchase up to \$30,000 of Caravel ordinary shares (**New Shares**) at 4 cents each without incurring brokerage or transaction costs on the terms and conditions (**Terms and Conditions**) enclosed with this letter (**Offer**).

The Offer follows on from a placement that the Company has undertaken by which it raised \$1.15M before costs by the issue of 28,750,000 Shares at 4 cents each to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act (**Placement**). By this Offer under the Plan, the Company is providing an opportunity for eligible shareholders to participate in a capital raising on the same terms as the Placement.

Shareholders eligible to participate in the Plan

Participation in the Plan is voluntary and is available exclusively to shareholders who are registered as holders of Shares at 5pm (Perth time) on the Record Date of 14 July 2020 and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Plan and Issue Price

The Plan entitles Eligible Shareholders to purchase parcels of Shares of \$500, \$2,000, \$5,000, \$10,000, \$20,000 or \$30,000.

The New Shares will be priced at 4 cents (**Issue Price**). This Issue Price represents a 17.8% discount to the volume weighted average price of the Company's Shares over the last 5 days on which sales in the Shares are recorded before the day on which the Plan was announced on 15 July 2020. The Issue Price is the same price as the Shares that were issued under the Placement. There is no offer of options as part of the Offer.

The maximum number of Shares to be issued under the Plan is 12,500,000 New Shares, which represents a maximum raising of \$500,000 under the Plan before expenses.

Participation in the Plan

The offer for New Shares under the Plan is made in accordance with the enclosed Terms and Conditions. An application form for the Plan (**Application Form**) is included in this package.

Eligible Shareholders may participate in an amount \$500, \$2,000, \$5,000, \$10,000, \$20,000 or \$30,000.

Application for quotation on ASX of the New Shares will be made immediately following issue of those New Shares.

Current Activities

Details of the Company's current activities are set out in the announcements made to the ASX and are available from the ASX, or the Company's website at www.caravelminerals.com.au.

The funds raised under the Plan will be used to fund exploration activities across Caravel's portfolio of exploration projects (including new tenements), for working capital and the costs of the offer.

Effect on Capital Structure

The effect of the Offer and the Placement made prior to the Offer on the Company's issued share capital if all New Shares under this Offer are subscribed for is shown in the following table:

Shares	Maximum Subscription
Existing Shares	197,172,691
Placement Shares (to be issued)	28,750,000
New Shares under this Offer	12,500,000
Total Shares on issue at maximum subscription	238,422,691

Custodians and Nominees

Eligible Shareholders who hold Shares as a custodian for one or more persons on the Record Date may apply for up to a maximum amount of \$30,000 worth of New Shares in respect of each beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company. Please refer to the Terms and Conditions for more details.

Price risk

On the last day on which Shares traded prior to the lodgement of this Plan on ASX, the closing price of the Shares traded on the ASX was 4.7 cents. If you apply to participate in the Plan, you should be aware, and accept the risk, that the market price of the Shares in the Company may rise and fall between the date of the Offer under the Plan and the date when any New Shares are issued to you under the Plan. As such, it is possible that, up to or after the date you receive New Shares under the Plan, you may be able to buy Shares on the ASX at a lower price than under this Plan.

The Board recommends that you obtain your own financial advice in respect of the Offer under the Plan.

Non-renounceable

The Offer under the Plan is non-renounceable and cannot be transferred by Eligible Shareholders.

Foreign offer restrictions

This document may not be released or distributed in any country other than Australia and New Zealand. This document does not constitute an offer to sell, or a solicitation of an offer to buy securities in any other country. Scale-back

The Company will issue a maximum of 12,500,000 New Shares under the Plan. In the event of an oversubscription by the closing date the Directors will in their absolute discretion scale-back applications. Eligible Shareholders may therefore receive less than the parcel of New Shares for which they applied.

Shortfall

There will be a shortfall if less than the maximum number of New Shares are subscribed for by Eligible Shareholders (i.e. less than 12,500,000 New Shares). In this event, and subject to any necessary shareholder approval, the shortfall may be placed to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act. The Offer is not underwritten.

5. LODGING THE APPLICATION FORM AND PAYMENT

You can participate in the Offer by applying for New Shares in accordance with the Application Form. Please follow the instructions on the Application Form. Minimum subscription under the Offer is \$500 and maximum subscription is \$30,000.

Option 2 – payment by BPAY facility

Make a BPAY payment from your cheque or savings account by using the Biller Code and Reference Number shown on your Application Form which is required to identify your holding.

If you have multiple holdings you will have multiple BPAY Reference Numbers. To ensure you receive your New Shares under the Offer in respect of that holding you must use the specific Biller Code and Reference Number shown on each personalised Application Form when paying for any New Shares that you may wish to apply for in respect of that holding. If you inadvertently use the same Reference Number for more than one of your applications, you will be deemed to have applied only for that application to which that Reference Number applies and any excess amount will be refunded.

If you make your payment using BPAY you do not need to return your Application Form. New Zealand holders will not be able to make a payment using BPAY. Payments made by BPAY received after **5:00pm (Perth time) on 11 August 2020** will not be accepted.

Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPAY. It is your responsibility to check that the amount you wish to pay via BPAY does not exceed your limit.

By using the BPAY facility to apply for New Shares, you represent that the total of the application price for the following does not exceed \$30,000:

- the New Shares the subject of your application;
- any other Shares issued under any similar arrangement in the 12 months before the date of your application;

- any other Shares issued to a Custodian under an arrangement similar to the Plan in the 12 months before the date of your application as a result of any instruction given by you to the

Custodian or to another custodian which resulted in you holding beneficial interests in such Shares.

Once an application has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the Closing Date of **5:00pm (Perth time) on 11 August 2020**.

If the exact amount of money is not tendered with your application, the Company reserves the right to either:

- return your Application Form and/or payment and not issue any New Shares to you; or
- issue to you the number of New Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The maximum investment any shareholder may apply for is \$30,000. This limitation applies even if a shareholder receives more than one Offer (whether in respect of a joint holding or because the shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the New Shares the subject of the application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of the application does not exceed \$30,000.

6. SCALE-BACK

The Company will issue a maximum of 12,500,000 New Shares under the Plan representing a maximum \$500,000 raising before expenses.

In the event of an oversubscription by the closing date the Directors will in their absolute discretion scale-back applications.

If the Company undertakes a scale-back, you will receive the number of New Shares decided by the Company in its absolute discretion, which may be less than the parcel of New Shares for which you applied. In this case, the difference between the application money received, and the number of New Shares allocated to you multiplied by the purchase price, will be refunded to you by direct credit (to your nominated account as recorded on Company's Share Register) or by cheque, as soon as practicable, without interest.

Scale-back decisions are made by the Board and are final.

7. PLACEMENT OF SHORTFALL

In the event that less than 12,500,000 New Shares are subscribed for, then (subject to any necessary shareholder approval) the Company reserves the right to place such shortfall to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act.

The Offer is not underwritten.

- you are a Custodian and you have not complied with the requirements of paragraph 2;
- the Company undertakes a scale back;
